

PIECEMEAL

by Trip Payne

Most of the Across and Down clues have been randomly ordered. In addition, eight entries have been broken into pieces; those pieces (whose enumerations are withheld) must be reassembled before being entered into the grid. When the puzzle is solved, the letters in the numbered squares will spell out what institution this grid represents.

ACROSS

- Staffer edges away from damsel (4)
- Medium-sized calamity brought about Persian's complaint (4)
- Playwright initially increased writing (5)
